Comment:

I had my green card filed through my employer and got the opportunity to work directly with Lakshmi Kompella, one of the attorneys at the law firm and I couldn't have asked for a better person to handle my case. She was always available to take my calls and answer any of the multiple questions I had in great detail, and never failed to return my calls and emails whenever I was not able to reach her. My process went by really fast and I attribute that to the diligent work that Lakshmi and her team performed. I won't hesitate to recommend my friends and colleagues to this law firm for any of the services they provide.
