It's a pleasure and an honor to recommend Mr. Rajiv Khanna and his Law Offices. I am writing to express my deep gratitude for Rajiv Ji's guidance over the past 1.5 years starting with PERM audit, supervised recruitment and through I-140 RFE and right to the I-140 approval. In all the conversations with him, he has always given me honest, straightforward assessments, and creative suggestions, which in turn gave me immense confidence even when situations looked gloomy. He backed this case right from day 1, possibly more than how much I backed myself on it.

I strongly believe, Rajiv Ji's intellectual brilliance and creativity coupled with his decisiveness at various critical junctures through the tough phases were the most significant keys to success in my case. I have firm conviction, that Rajiv Ji's immigration law expertise is second to none in the country.

I tip my hat to you!

Over the last 5 years, I worked closely with his some of his folks. This is a big shout out to Vijay Ji, Bharathi, Kunal, Suman and Kalpana.

Vijay Ji, I can't thank you enough for zillions of hours you spent on going through and organizing all the hundreds of resumes received through supervised recruitment. Vijay Ji, you went over and beyond. I specifically remember, when you went to USPS at 8:30PM to send the package on time! Thank you very much.

Kunal, I greatly appreciate your thoroughness and the meticulous planning of I-140 RFE response. In all my interactions with you, you made me feel confident by answering all my questions and spending time with me discussing nitty-grittys of the content.

Bharathi, Thank you so much for pulling things together for multiple RFEs and answering my numerous phone calls and emails patiently.

When I met all of them at their Arlington office, the one thing that struck most to me is that they put a human face to my case and made me feel like a part of their amazing family. Gestures like that is what separates this bunch from any other.

Kudos to you all!

Warm Regards,
SK
